Dear Taxpayer,

The 2007 Form 58 and its instructions contain changes resulting from legislation passed by the 2007 North Dakota Legislature. Please note the following highlights:

- Five new income tax credits were created to promote research, new hiring, and investment by businesses, and promote charitable giving.
- Starting with the 2007 return, the regular penalty and interest provisions will apply for purposes of the passthrough entity withholding and composite filing and payment requirements.
- The use of Form PWA, Passthrough Entity Withholding Adjustment, by a nonresident individual partner to reduce the amount of income tax required to be withheld from the partner's distributive share of North Dakota income has been incorporated into Schedule KP.

The instructions in this booklet are intended to help you prepare an accurate and complete Form 58. I encourage you to carefully read these instructions before completing the return. I invite you to let us know what you think we can do to improve these forms and instructions so that we can serve you better.

If you have any questions or need additional forms, go to our web site at www.nd.gov/tax. Or see the inside front cover of this booklet if you need to contact us by phone, e-mail, or letter.

Thank you,

Cory Fong,
Tax Commissioner

What's new for 2007

Legislative changes

The 2007 North Dakota Legislature passed a number of bills affecting the income tax law for partnerships. Following is a summary of the changes.

Short period return due date

The income tax law that prescribes when an income tax return must be filed was changed to provide that, in the case a short period return—which is a return covering a period of less than 12 months—the return must be filed by April 15 or by the due date prescribed under federal income tax law, whichever is later. See N.D.C.C. § 57-38-34.

Penalty and interest provisions

Starting with the 2007 tax year, the regular penalty and interest provisions that apply to late payments, etc., will apply for not complying with the passthrough entity withholding and composite filing and payment requirements. See N.D.C.C. § 57-38-31.1.

Employer internship program credit

A new income tax credit was created for hiring an eligible college student under a qualifying internship program in North Dakota. The credit is 10% of the compensation paid to the eligible student. See N.D.C.C. § 57-38-01.24.

Employer workforce recruitment credit

A new income tax credit was created for using extraordinary recruitment methods to fill an employment position in North Dakota. The credit is 5% of the compensation paid to the new employee during the first 12 months of employment. (*Note: This credit is first allowed on the 2008 income tax return.*) See N.D.C.C. § 57-38-01.25.

Microbusiness credit

A new income tax credit was created for a business that is certified as a microbusiness

by the ND Commerce Department. The credit is 20% of the cost of new investment in property and new employment. See N.D.C.C. § 57-38-01.27.

Research expense credit

A new income tax credit was created for conducting qualified research in North Dakota. The credit is 25% of the first \$100,000 of qualified expenses, plus an additional credit on qualified expenses over \$100,000 at a rate dependent on when qualified research is first conducted in North Dakota. See N.D.C.C. § 57-38-30.5.

New endowment fund tax credit

A new income tax credit was created for making a charitable contribution to a qualified endowment fund held by a qualified nonprofit organization located in North Dakota. The tax credit is equal to 40% of the contributions made in a tax year, up to a maximum tax credit of \$10,000. An unused credit may be carried forward up to 3 tax years. A partner who receives a share of this credit must increase the partner's North Dakota taxable income by the partner's share of the charitable contribution upon which the credit is calculated, but only to the extent the contribution reduced the partner's federal taxable income. If any portion of the charitable contribution is subsequently recovered by the partnership, a partner who received a share of the credit must repay the credit on the partner's income tax return filed for the year in which the recovery occurs. See N.D.C.C. § 57-38-01.21.

Changes to 2007 Form 58

Please note the following changes made to the 2007 Form 58:

- A new line for penalty and interest amounts was added to page 1 of Form 58.
- The requirement to enter the business code number from the federal partnership return has been replaced with a requirement to enter a NAICS (North American Industry Classification System) code from a table provided on the North Dakota Tax Department's web site.
- The instructions to lines 1, 2, 6, 7, and 8 of Schedule K were revised to correct an error. For these items of income and deduction, enter the total (unapportioned) amount on Schedule K—do not multiply by the apportionment factor from Schedule FACT.
- On Schedule KP, Column 6 (North Dakota distributive share of income or loss) was changed to apply to nonresident individual partners only. Do not make an entry in Column 6 for any other type of partner, including an estate or trust.
- The instructions to Schedule KP, Column 6, were revised to provide that interest from U.S. obligations is not to be included in a nonresident individual partner's North Dakota distributive share of income (loss).
- On Schedule KP, Column 7 (for income tax withheld from a nonresident individual partner) was split into two subcolumns. The amount withheld is to be entered in the first of the subcolumns. In the second subcolumn, there is a box that must be checked if the amount of withholding is less than the required 5.54% of the North Dakota distributive share of income because a partner completed a Form PWA, Passthrough Entity Withholding Adjustment.
- The instructions for completing lines 1 through 8 in Part 3 of Schedule K-1 were revised to correct an error in the case of a nonresident individual, estate, or trust partner. The result from multiplying the amount from Schedule K by the nonresident partner's profit or loss percentage must also be multiplied by the apportionment factor from Schedule FACT.
- Schedule K-1 (Form 58) was revised to incorporate the changes made by the 2007 North Dakota Legislature.

General instructions

Who must file

A 2007 Form 58, *Partnership Income Tax Return*, must be filed by a partnership that meets both of the following:

- It is required to file a 2007 Form 1065, *U.S. Partnership Return of Income*, or 2007 Form 1065-B, *U.S. Return of Income for Electing Large Partnerships* (see “Investment partnership” below for an exception to this condition); and
- It carries on business, or derives gross income from sources, in North Dakota during its 2007 tax year.

Exception for financial institution. If an entity is a bank, trust company, bank holding company, or other financial institution defined under N.D.C.C. § 57-35.3-01(2), it is subject to the North Dakota financial institution tax and must file Form 35, *Financial Institution Tax Return*. Do not complete nor file Form 58 if required to file Form 35.

Investment partnership. A partnership that elects out of the partnership rules under I.R.C. § 761(a)(1) and does not file a federal partnership return must file a 2007 Form 58 if it carries on investment activity, or derives any gross income from sources, in North Dakota during its 2007 tax year. A 2007 Form 1065 must be completed on a pro forma basis and attached to Form 58.

Limited liability company (LLC). A limited liability company that is classified as a partnership for federal income tax purposes is treated like a partnership for North Dakota income tax purposes and must file Form 58 if it meets the above conditions for filing.

Nonfiler penalty. If a partnership does not file Form 58 after receiving a thirty-day notice to file by the Office of State Tax Commissioner, a minimum penalty of \$500 may be assessed.

When and where to file

The 2007 Form 58 must be filed no later than:

- April 15, 2008, if filing for the 2007 calendar year; or
- The 15th day of the 4th month following the end of the tax year, if filing for a fiscal year beginning in the 2007 calendar year.

Note: Use the 2006 Form 58 if the partnership's fiscal year began in the 2006 calendar year.

Mail Form 58 and all required attachments to:

Office of State Tax Commissioner
600 East Boulevard Ave., Dept. 127
Bismarck, ND 58505-0599

Extension of time to file

An extension of time to file Form 58 may be obtained in one of the following ways:

- Obtain a federal extension.
- Separately apply for a North Dakota extension.

Federal extension. If an extension of time to file the federal partnership return is obtained, it is automatically accepted as an extension of time to file Form 58. If this applies, a separate North Dakota extension does not have to be applied for, nor does the Office of State Tax Commissioner have to be notified that a federal extension has been obtained prior to filing Form 58. The “Extension” box on page 1 of Form 58 must be checked to indicate that a federal extension has been obtained.

North Dakota extension. If a federal extension is not obtained, but additional time is needed to complete and file Form 58, a separate North Dakota extension may be applied for by filing Form 101, *Application for Extension of Time to File a North Dakota Tax Return*. This is not an automatic extension—there must be good cause to request a North Dakota extension. Form 101 must be postmarked on or before the due date of Form 58. Notification of whether the extension is accepted or rejected will be provided by the Office of State Tax Commissioner. The “Extension” box on page 1 of Form 58 must be checked to indicate that an extension has been obtained.

Extension interest. If Form 58 is filed on or before the extended due date, and any tax due is paid with the return, no penalty will be charged. Interest on the tax due will be charged at the rate of 12% per year from the original due date of the return to the earlier of the date the return is filed or the extended due date.

Prepayment of tax due. If an extension of time to file Form 58 is obtained and it is expected that there will be a tax balance due, the expected tax balance due may be paid on or before the regular due date. To do so,

send a check or money order along with a completed 2007 Form 58-EXT, *Partnership Extension Payment Voucher*, on or before the regular due date of Form 58.

Alternatively, a payment may be sent with a letter containing the following: (1) Name of partnership; (2) Partnership's FEIN; (3) Partnership's address and phone number; and (4) Statement that the payment is a 2007 Form 58-EXT payment.

Penalty and interest

The tax due must be paid by the due date (without extension) of Form 58 to avoid penalty and interest charges. However, if an extension of time to file Form 58 was obtained, the tax due may be paid by the extended due date of the return without penalty, but extension interest will apply—see **Extension interest and Prepayment of tax due** on this page.

If Form 58 is filed on or before its due date (or extended due date), but the tax due is not fully paid with the return, a penalty equal to 5% of the unpaid tax or \$5.00, whichever is greater, must be paid.

If Form 58 is not filed on or before its due date (or extended due date), a penalty equal to 5% of the tax due or \$5.00, whichever is greater, for the month the return was due plus 5% of the tax due for each additional month (or fraction of a month) during which the return remains delinquent must be paid. This penalty may not exceed 25% of the tax due.

In addition to any penalty, interest must be paid at the rate of 1% per month (or fraction of a month) except for the month in which the tax was due, on any tax due that remains unpaid after the due date (or extended due date) of the return.

Estimated tax payment

A partnership may, but is not required to, make estimated tax payments of income tax expected to be due on Form 58. To make an estimated payment for the 2008 tax year, send a check or money order along with a completed 2008 Form 58-ES, *Partnership Estimated Tax Payment Voucher*.

Withholding from nonresident individual partners

A partnership must withhold North Dakota income tax at the rate of 5.54% (.0554) from the distributive share of North Dakota

income of its nonresident individual partners. This requirement does not apply to actual distributions made by the partnership to nonresident individual partners during the tax year; instead, the withholding amount is calculated on the partners' year-end distributive share of income and is reported on the Form 58 filed for the tax year. An amount less than 5.54% of the distributive share may be withheld if the partner meets certain conditions—see Form PWA for details. Withholding is not required if:

- The distributive share of North Dakota income is less than \$1,000; or
- The nonresident individual partner elects to have his or her distributive share of North Dakota income included in, and the tax on it calculated under, the composite filing method—see “Composite filing method” in the next section for more information.

The amount withheld for a partner is reported in Column 7, Schedule KP, Form 58. The partnership must submit a payment with Form 58 for the total withholding reported on Schedule KP. See the instructions to Schedule KP and Schedule K-1 (Form 58) for more information.

Publicly traded partnership. A publicly traded partnership as defined by section 7704(b) of the Internal Revenue Code that is treated as a partnership for federal income tax purposes is not subject to this withholding requirement if it reports each unitholder with a North Dakota distributive share of income over \$500 on Form 58, Schedule KP.

Composite filing method

A composite filing method is available to a partnership with one or more eligible partners. Under this method, a partnership files one return, called a “composite return,” on behalf of one or more eligible partners. The composite return and the partnership's payment of the income tax calculated on it satisfies the North Dakota income tax filing and payment obligations of the eligible partners who elect to be included in it. Therefore, they do not have to file their own North Dakota income tax return to report or pay tax on their distributive share of North Dakota income.

The use of the composite filing method by a partnership is optional, and is a choice that it may make on a year-to-year basis. The partnership does not have to obtain prior approval to use the composite filing method,

and it may file a composite return regardless of whether it has income or a loss for the tax year.

Exception to withholding. A partnership does not have to withhold North Dakota income tax from the distributive share of North Dakota income of an eligible partner who elects to be included in a composite return.

Eligible partner. An eligible partner is an individual who:

- Is a nonresident of North Dakota; and
- Does not have any North Dakota income from other than the partnership or any other partnership, S corporation, trust, or limited liability company (filing as a partnership).

An eligible partner may elect to be included in a composite return regardless of the amount of the partner's distributive share of North Dakota income (or loss). In the case of a loss, the composite tax is zero.

Composite filing method procedure. The distributive share of North Dakota income of an electing partner is multiplied by the highest individual income tax rate (5.54% for the 2007 tax year) to determine the partner's composite income tax. (If the North Dakota distributive share is a loss, the composite tax is zero.) No adjustments, deductions, or tax credits are allowed in calculating the tax due under the composite filing method. The Form 58 serves as the composite return. The composite income tax calculated for a partner is reported in Column 8, Schedule KP, Form 58. The partnership must submit a payment with Form 58 for the total composite income tax reported on Schedule KP.

Election. If an eligible partner agrees to be included in a composite return, the partnership's calculation and reporting of a composite income tax for the partner in Column 8 of Schedule KP of Form 58 constitutes the partner's election to be included in the composite return.

Correcting a previously filed return

If a partnership needs to correct an error on Form 58 after it is filed, the partnership must file an amended return. There is no special form for this purpose. See “How to prepare an amended return” below.

If a partnership paid too much tax because of an error on its 2007 Form 58, the partnership generally has three years from the later of the due date (excluding extensions) of the return

or the date the return was actually filed in which to file an amended return to correct the error and claim a refund of the overpayment. See N.D.C.C. § 57-38-40 for other time periods that may apply.

How to prepare an amended 2007 return

1. Obtain a blank 2007 Form 58.
2. Enter the partnership's name, current address, FEIN, etc., in the top portion of page 1 of Form 58.
3. Check the “Amended return” box at the top of page 1 of Form 58.
4. Complete Schedules FACT, K, and KP using the corrected information. Then complete lines 1 through 3 on page 1 of Form 58.
5. Complete line 4 on page 1 of Form 58 by entering the total taxes due from the previously filed 2007 Form 58, page 1, line 3.
6. Complete line 5 (overpayment) or line 8 (tax due), whichever applies. If there is an overpayment on line 5, enter the full amount on line 7 (refund). On an amended return, the amount credited to the next year's estimated tax (line 6) may not be increased or decreased.
7. Attach a statement explaining the reason(s) for filing the amended return. If it is because of changes the partnership or the IRS made to the partnership's 2007 Federal Form 1065 (or 1065-B), attach a copy of the amended federal return or IRS notice.
8. Complete and provide a corrected Schedule K-1 to the partners, as required.

Reporting federal changes

If the Internal Revenue Service (IRS) changes or audits the federal partnership return, or if a partnership files an amended federal partnership return, an amended North Dakota Form 58 must be filed within ninety days after the final determination of the IRS changes or the filing of the amended federal return. Enclose a copy of the IRS audit report or the amended federal partnership return with the amended North Dakota Form 58.

W-2/1099 reporting requirement

Every partnership doing business in North Dakota that is required to file Federal Form 1099 or W-2 must also file one with the Office of State Tax Commissioner. For more information, obtain the document *Income Tax Guideline: Information Returns*.

Use of information

All of the information on Form 58 and its attachments is confidential by law and cannot be given to others except as provided by state law. Information about the partners is required under state law so the Office of State Tax Commissioner can determine the partner's correct North Dakota taxable income and verify if the partner has filed a return and paid the tax.

General instructions for completing Form 58

Complete Form 58 as follows:

1. Complete Federal Form 1065 (or 1065-B) in its entirety.
2. Complete Items A through J at the top of page 1 of Form 58—see page 4.
3. Complete Schedule FACT on page 2 of Form 58—see page 5.
4. Complete Schedule K on page 3 of Form 58—see page 5.
5. Complete Schedule KP on page 5 of Form 58—see page 7.
6. Complete lines 1 through 10 on page 1 of Form 58—see page 9.
7. Complete Schedule K-1, if required, for the partners—see page 9.

Rounding of numbers. Numbers may be entered on the return in dollars and cents, or they may be rounded to the nearest whole dollar. If rounding, drop the cents if less than 50 cents and round up to the next whole dollar amount if 50 cents or higher. For example, \$25.36 becomes \$25.00, and \$25.50 becomes \$26.00.

Fiscal year filers. The tax year for North Dakota income tax purposes must be the same as the tax year used for federal income tax purposes. Use the 2007 Form 58 if the partnership's taxable year began in the 2007 calendar year. **Note:** Use the 2006 Form 58 if the taxable year began in the 2006 calendar year.

Specific line instructions for page 1 of Form 58, Items A-J

Complete Items A through J at the top of page 1 of Form 58. Then complete Schedule FACT, Schedule K, and Schedule KP before completing lines 1 through 10 on page 1 of Form 58.

Item A Tax year

The same tax year used for federal income tax purposes (as indicated on the federal partnership return) must be used for North Dakota income tax purposes. Check the applicable box. If the partnership uses a fiscal year, enter the beginning and ending dates of the fiscal year. Use the 2007 Form 58 only if the partnership's tax year began in the 2007 calendar year.

Item B Name and address

Enter the legal name of the partnership on the first line of the name and address area. If the partnership publicly operates under a fictitious or assumed name (which, in most states, must be recorded or registered with the state), enter that name on the second line of the name and address area.

Item C Federal EIN

North Dakota uses the federal employer identification number (FEIN) for identification purposes. Enter the federal employer identification number from page 1 of Federal Form 1065 (or 1065-B).

Item D Business code number

Enter the business code number from the NAICS code list found on the Office of State Tax Commissioner's website at www.nd.gov/tax. Enter the code that most closely describes the industry in which the partnership derives most of its income.

Item E Date business started

Enter the date the business started from page 1 of Federal Form 1065 (or 1065-B).

Item F Check boxes

Check all applicable boxes, as follows:

Initial return. Check this box if this is the first return filed in North Dakota by the partnership.

Final return. Check this box if this is the last return to be filed in North Dakota by this partnership.

Filed by an LLC. Check this box if the entity filing this return is a limited liability company (LLC).

Composite return. Check this box if one or more nonresident individual partners have elected to be included in a composite return. See "Composite filing method" on page 3 for more information.

Amended return. Check this box if this return is being filed to correct a previously filed 2007 Form 58. See "Correcting a previously filed return" on page 3 for more information.

Extension. Check this box if a federal or state extension of time to file the return was obtained. See "Extension of time to file" on page 2 for more information.

Item G Number of partners

Enter the total number of partners. Also enter the number of each type of partner.

Item H Professional service partnership

If the partnership is a professional service partnership, check the "Yes" box for Item H(1) and enter the type of profession for Item H(2). Check the "No" box for Item H(1) if the partnership is not a professional service partnership.

A "professional service partnership" is a partnership that engages in the practice of law, accounting, medicine, or any other profession in which the capital or the services of employees are not a material income-producing factor. The services performed by the partners themselves must be the primary income-producing factor. A professional service partnership does not include one that primarily engages in wholesale or retail sales activity, manufacturing activity, or any other type of activity in which the capital or the services of employees are a material income-producing factor.

Item I Publicly traded partnership

If the partnership is a publicly traded partnership, check the "Yes" box. Otherwise, check "No." A "publicly traded partnership" is a partnership in which interests in it are either traded on an established securities market or are readily tradable on a secondary market.

Item J Tiered partnership

If the partnership holds an interest in one or more other partnerships or limited liability companies, check the "Yes" box. Otherwise, check "No." If the "Yes" box is checked, the partnership must attach a statement to Form 58 on which it lists the name and federal employer identification number of each partnership or limited liability company in which it holds an interest.

Instructions for Schedule FACT (Form 58, page 2)

All partnerships must complete the applicable portions of Schedule FACT as follows:

- **100% North Dakota partnership**
If the partnership conducted all of its trade or business within North Dakota during the tax year, skip lines 1 through 13 and enter 1.000000 on line 14 of Schedule FACT.

Instructions for Schedule K (Form 58, page 3)

All partnerships must complete Schedule K. This purpose of this schedule is to show the total amount of North Dakota adjustments, credits, and other items distributable to its partners. These items may be applicable to the preparation of the partners' North Dakota income tax returns.

If the partnership is a partner in another North Dakota partnership, include on the applicable lines of Schedule K similar adjustments, credits, etc., received from the other partnership as shown on the North Dakota Schedule K-1 (Form 58) received from the other partnership.

Line 1 Income from state, local, and foreign securities and bonds

Enter on this line the total interest and dividends from foreign securities and from securities (or bonds) of state and local governments exempt from federal income tax. **Do not** include interest income from securities (or bonds) issued by North Dakota or its political subdivisions. If any portion of the non-North Dakota source income is treated as nonbusiness income subject to allocation under N.D.C.C. §§ 57-38.1-04 through 57-38.1-08, do not include the nonbusiness income portion on this line. Include the nonbusiness portion on Schedule K, line 22.

Do not enter on this line interest income from securities of the Federal Home Loan Mortgage Corporation (Freddie Mac), Federal National Mortgage Association (Fannie Mae), and Government National Mortgage Association (Ginnie Mae), nor from a federal income tax refund or repurchase agreement. **Attach a statement identifying the specific securities from which the interest was derived.**

Line 4 Renaissance zone exemption

Enter on this line the amount from Schedule RZ, Part 1, line 16. **Attach Schedule RZ.**

Lines 22a and 22b apply only if the partnership:

- Is a multistate partnership, i.e., it carries on its trade or business activity both within and without North Dakota;
- Has one or more nonresident individual, estate, or trust partners; and
- Has nonbusiness income as defined under N.D. Admin. Code § 81-03-09-03.

Nonbusiness income is not apportioned using the apportionment factor (from Schedule FACT) but is allocated within or without North Dakota as provided under N.D.C.C. §§ 57-38.1-04 through 57-38.1-08 and N.D. Admin. Code § 81-03-09-09. Expenses must be attributed to the nonbusiness income in a manner which fairly distributes all of the partnership's expenses to its business and nonbusiness income.

If the partnership has an item of nonbusiness income subject to allocation, the partnership must take this into account when calculating the North Dakota distributive share of income or loss reportable on Schedule KP and Schedule K-1 for a nonresident individual, estate, or trust partner. See the instructions to Schedule KP, Column 6, for more information. In addition to completing lines 22a and 22b, the partnership must attach the following to Form 58:

- A statement on which each item of nonbusiness income is shown along with its related expenses.
- A statement explaining the basis for treating the item of income as nonbusiness income subject to allocation.

For lines 23a through 23d, multiply the corresponding combined amount for all partners as reported on Federal Form 1065, Schedule K, line 20c (code F), by the apportionment factor from Schedule FACT, line 14, and enter the result. However, if the property disposed of is treated as a nonbusiness asset the gain or loss from which is subject to allocation under N.D.C.C. §§ 57-38.1-04 through 57-38.1-08, subtract the amounts for that asset before multiplying by the apportionment factor. Include the nonbusiness gain or loss from the disposition on Schedule K, line 22.

Line 24 Real estate tax information

The 2007 North Dakota Legislature, in Senate 2032, set up a 2-year property tax relief program. Part of the program provides an income tax credit for property taxes paid on North Dakota property that is classified as commercial for property tax purposes. In the first year of the program, the commercial property tax credit is based on the 2006 real estate taxes and 2007 mobile home taxes that became due in 2007, and the credit is to be claimed on the 2007 North Dakota income tax return.

In the case of a partnership, the partnership does not calculate nor claim the commercial property tax credit on the 2007 Form 58.

Instead, the partners who held an ownership interest in the partnership on the due date of the property taxes are allowed to claim their share of the property taxes paid by the partnership for purposes of claiming the credit on their 2007 North Dakota income tax return. To verify the amount of the property taxes claimed by the partners, the partnership must provide the property tax information requested on lines 24a and 24b.

Important: Do not enter the information from these lines on Schedule K-1 (Form 58). Regardless of whether the partnership files on a calendar year or fiscal year basis, the 2006 real estate taxes and 2007 mobile home taxes paid on North Dakota commercial property must be claimed by the partners on their 2007 North Dakota income tax return.

Line 24a. Enter the total 2006 real estate taxes and 2007 mobile home taxes that the partnership paid on all commercial property located in North Dakota. This is the "consolidated tax" shown on the annual real estate or mobile home tax statement. Do not include special assessments and do not subtract any discount, regardless of whether or not the discount was taken.

Line 25b. If the partnership held an interest in another partnership or limited liability company, enter on this line the partnership's share of the 2006 real estate taxes and 2007 mobile home taxes paid by the other entity on its North Dakota commercial property.

Instructions for Schedule KP (Form 58, page 5)

Schedule KP must be completed to provide information about each partner. In the case of a nonresident individual partner only, the schedule must show the partner's distributive share of North Dakota income (loss) and the amount of North Dakota income tax withheld or the amount of composite income tax paid on the partner's distributive share of North Dakota income. If the partnership has more than seven partners, complete and attach additional schedules as needed to list all partners. Exception: Complete the **Column 6 Worksheet** on this page to calculate the amount to enter in Column 6 if any of the following apply:

- The partnership is a professional service partnership that made guaranteed payments for services performed by nonresident individual partners. These payments are not apportioned, but are allocated to the state where the services were performed by the partner. See the instructions to Item H on page 4 for the definition of a professional service partnership.

See "Composite filing method" on page 3 for more information.

Specific line instructions for page 1 of Form 58, lines 1-10

Complete Schedule FACT, Schedule K, and Schedule KP before completing lines 1 through 10 on page 1 of Form 58.

Line 4**Estimated tax payments**

Enter the amount paid with the 2007 Form 58-EXT and 2007 Form 58-ES. However, if this is an amended return, do not enter the amount paid with the 2007 Form 58-EXT or 2007 Form 58-ES; instead, enter the amount of the total taxes due from line 3 of the previously filed original or amended 2007 Form 58.

Line 6**Application of overpayment to 2008**

If there is an overpayment on line 5, the partnership may elect to apply part or all of it as an estimated payment toward its 2008 tax liability. To make the election, enter the portion of line 5 to be applied on line 6. If this election is made, the election and the amount applied may not be changed after the return is filed. If this is an amended return, do not make an entry on this line.

Line 8**Tax due**

The tax due must be paid in full with the return. A check or money order made payable to the "ND State Tax Commissioner" must be submitted with the return.

Line 9**Penalty and interest**

The Office of State Tax Commissioner will notify the partnership of any penalty and interest payable on a tax due shown on Form 58. However, the partnership may calculate the penalty and interest amounts and include them in the balance due on Form 58.

Penalty. Calculate the penalty amount as follows:

- If Form 58 is filed on or before the due date (or extended due date), but the full amount of the tax due is not paid with the return, the penalty is equal to 5% of the unpaid tax or \$5.00, whichever is greater.
- If Form 58 is not filed on or before the due date (or extended due date), the penalty is equal to 5% of the tax due or \$5.00, whichever is greater, for the month in which the return was due plus 5% of the tax due for each additional month (or fraction of a month) during which the return remains delinquent, not to exceed 25% of the tax due.

Interest. Calculate the interest amount as follows:

- If an extension of time to file Form 58 was obtained, extension interest is calculated at the rate of 12% per year on any tax due from the due date of the return to the earlier of the extended due date or the date the return was filed.
- If any tax due is not paid by the due date (or extended due date) of the return, interest is calculated at the rate of 1% per month (or fraction of a month) on the unpaid tax, except for the month in which the return was due.

Instructions for completing Schedule K-1

A partnership is not subject to North Dakota income tax. Instead, the partners are responsible for reporting and paying any applicable North Dakota income tax on their shares of the partnership's income reportable to North Dakota.

North Dakota Schedule K-1 (Form 58) must be used by a partnership to provide information that partners will need to complete a North Dakota income tax return. The information to be included in the schedule will depend on the type of partner.

North Dakota Schedule K-1 (Form 58) must be completed and given to:

- Each nonresident individual, estate, or trust partner.
- Each partnership or corporation partner having a North Dakota adjustment or tax credit as reported on Form 58, Schedule K, lines 1 through 20.
- Each North Dakota resident individual, estate, or trust partner having a North Dakota adjustment or tax credit as reported on Form 58, Schedule K, lines 1 through 20.

A North Dakota Schedule K-1 does not have to be completed nor given to a North Dakota resident individual, estate, or trust if there are no North Dakota adjustments or tax credits on Schedule K. All income of a North Dakota resident individual, estate, or trust is subject to North Dakota income tax, regardless of its source.

In addition to the North Dakota Schedule K-1, the partnership must provide the partner with a copy of the *Partner's Instructions to North Dakota Schedule K-1 (Form 58)*.

A copy of all North Dakota Schedule K-1s must be enclosed with Form 58 along with any required supplemental statements.

Amended schedule. If a partnership files an amended Federal Form 1065 (or 1065-B), or if the IRS makes any changes to the partnership's federal return, the partnership must file an amended Form 58 for the same tax year, and must issue amended North Dakota Schedule K-1s to its partners. Check the "Amended" box at the top of the North Dakota Schedule K-1.

Final schedule. Check the “Final” box at the top of the North Dakota Schedule K-1 if it is the last one to be issued by the partnership to the partner.

Lines 1 through 8 Adjustments

Nonresident individual, estate, or trust partner only. Multiply each amount shown on Form 58, Schedule K, lines 1 through 8, by the same percentage used to determine the partner’s distributive share of income (loss) from the partnership. Then, multiply this result by the apportionment factor from Schedule FACT, line 14. Enter the result on the corresponding line of Part 3, lines 1 through 8.

Other partners. Multiply each amount shown on Form 58, Schedule K, lines 1 through 8, by the same percentage used to determine the partner’s distributive share of income (loss) from the partnership. Enter the result on the corresponding line of Part 3, lines 1 through 8.

Lines 9 through 20 Tax credits

Multiply each amount shown on Form 58, Schedule K, lines 9 through 20, by the partner’s **ownership percentage** from North Dakota Schedule K-1 (Form 58), Part 2, Item I. Enter the result on the corresponding line of Part 3, lines 9 through 20.

Part 4 Nonresident individual, estate, or trust partner only— North Dakota income (loss)

Enter the partnership’s apportionment factor from Schedule FACT, line 14.

Lines 22 through 35 Income and loss items

Except as provided under **Exception 1** and **Exception 2** below, multiply the corresponding amount from the partner’s Federal Schedule K-1, Part III, boxes 1 through 13, and any I.R.C. § 179 property disposition gain (loss) included in box 20 by the partnership’s apportionment factor from

Schedule FACT, line 14, and enter the result on the corresponding line of Part 4, lines 22 through 35.

For “Other deductions” from box 13 of Federal Schedule K-1, only include deductions that are allowed as a deduction from gross income in calculating adjusted gross income for federal income tax purposes.

For purposes of calculating the gain or loss for I.R.C. § 179 property dispositions included in box 20 of the Federal Schedule K-1, include all of the Section 179 deduction passed through to the partner, regardless of whether or not the partner actually deducted all of it.

Exception 1: Professional service partnership. If the partnership is a professional service partnership, calculate the amount to enter on line 21 (guaranteed payments) by adding the following two amounts:

- Guaranteed payments for services performed within North Dakota by the partner; and
- Guaranteed payments for other than personal services multiplied by the partnership’s apportionment factor from Schedule FACT, line 14.

Exception 2: Allocable (nonbusiness) income. If the partnership treated any part of a distributable item of income from the partner’s Federal Schedule K-1 as nonbusiness income subject to allocation, calculate the amount to enter on the corresponding line of this part in the following steps:

1. Subtract the net nonbusiness income (gross amount less related expenses) from the applicable distributable amount shown on the Federal Schedule K-1.
2. Multiply the remaining distributive amount, if any, (from step 1) by the partnership’s apportionment factor from Schedule FACT, line 14.
3. Add the result (from step 2) to the portion, if any, of the net nonbusiness income **allocable to North Dakota**, and enter the result on the corresponding line of Part 4.

Note: If any portion of the net nonbusiness income removed from the distributable amount (in step 1 above) is allocable **outside** North Dakota, do not enter it anywhere on North Dakota Schedule K-1 (Form 58).

If the calculation of any amount on lines 18 through 31 of Part 4 was affected by the removal or inclusion of net nonbusiness income, attach a statement to the partner's North Dakota Schedule K-1 (Form 58) identifying the net nonbusiness income and showing the calculation of the amount entered on the applicable line(s) of Part 4.

By checking the box, the partnership authorizes the Tax Department to contact the preparer to answer any questions that may arise during the processing of the partnership's return. It also authorizes the preparer to respond to the questions and to provide any information missing from the return, to contact the Tax Department to inquire about the status of the return's processing and related refund or payment, and to respond to Tax Department notices that the partnership shares with the preparer pertaining to math errors or return preparation. *(Tax Department notices will not be sent directly to the preparer.)*

This authorization automatically expires on the due date (excluding extensions) for filing the **2008 Form 58**.

This authorization **does not** authorize the preparer to receive a refund check, to bind the partnership in any way (including any additional tax liability), or to represent the partnership before the Tax Department for any other purpose. 2007**Partner's Instructions for North Dakota Schedule K-1 (Form 58)****Purpose of schedule**

North Dakota Schedule K-1 (Form 58) is provided to you by the partnership to show your share of the income, gains, losses, deductions, and other items from the partnership that you need to complete your North Dakota income tax return. These instructions will assist you in transferring the amounts from the schedule to your North Dakota income tax return.

Partnership or corporation partner. If you are a corporation, partnership, or a limited liability company treated like a corporation or partnership, you have received North Dakota Schedule K-1 only to show your share of the partnership's North Dakota statutory adjustments or tax credits that may affect the preparation of your North Dakota income tax return. See the instructions to Part 3.

Resident individual, estate, or trust partner. If you are a North Dakota resident individual, estate, or trust, you must report to North Dakota your entire share of the partnership's income, gains, losses, and deductions that are included in your federal taxable income. You have received North Dakota Schedule K-1 only to show your share of the partnership's North Dakota statutory adjustments or tax credits that may affect the preparation of your North Dakota income tax return. See the instructions to Part 3.

Nonresident individual, estate, or trust partner. If you are a nonresident individual, estate, or trust, you must report to North Dakota your share of the partnership's income, gains, losses, and deductions that are apportioned and allocated to North Dakota based on the partnership's activity in North Dakota. These items are shown in Part 4 of North Dakota Schedule K-1. Unless you are a nonresident individual who elected to include your share of these items in a composite return filed on your behalf by the partnership, you must file a North Dakota income tax return to report and pay the required income tax on them.

Composite return election. If you are a nonresident individual who elected to include your share of the partnership's North Dakota income, gains, losses, and deductions in a composite return filed by the partnership, you are not required to file a North Dakota individual income tax return. If this applies to you, you received North Dakota Schedule K-1 to show your share of these

items and the composite income tax paid on them. If you later choose to file your own North Dakota individual income tax return, follow the instructions below to transfer the amounts from North Dakota Schedule K-1 to your return.

Amended Schedule K-1 (Form 58). If you received an amended North Dakota Schedule K-1 (Form 58) from the partnership, and you previously filed a North Dakota income tax return, you must file an amended North Dakota income tax return to report the changes in income, gains, losses, and deductions. You also must attach a copy of the amended North Dakota Schedule K-1 (Form 58) to your amended North Dakota income tax return.
